

Understanding Availability

Weekends, Holidays and Summer Break represent the busiest times for pet boarding. Although weekdays are busy during these periods, we usually have a limited amount of space available.

Please Note: The availability information provided below are updated daily but are subject to change at any time. When there is No Vacancy we do keep waiting lists in case of last minute cancellations. To make reservations or check the status of waiting lists, please call 574-7960.

Explanation of Terms:

GREEN = Vacancy = Space is currently available for at least one category of run sizes.

YELLOW = Vacancy = Space is currently available but close to being completely booked.

RED = No Vacancy = Space is completely full for all size runs.
